

### **Brief Overview of the ASSDF Website** <https://www.arkansassquaredance.com>

**The ASSDF → Members of the State Executive Board, Operations Committee, and About The ASSDF, including a look back at its history.**

**Clubs → Find your dance region, including a map and satellite of clubs in the state, along with their contact information. Also, there's a list of clubs dancing by days of the week. Please call before you travel, as some clubs are dark due to COVID-19.**

**New Dancers → How to square dance, how to get connected, dance regions, and club contacts. Also there's a link for "Video Square Dancing Online", and the "Taminations" program on all the calls.**

**Upcoming Events → A Google Events Calendar to find out what clubs are dancing on a particular day. There will be a plus sign, followed by a number, if there are clubs dancing (or dark) that day. Click on the desired day with the number (i.e. +4), then it'll show the clubs dark or dancing that day. Click on the specific entry for more information. Also there is a section on Special Events and Conventions, with links to fliers (in PDF format) and websites. Lastly, there's a section on Delegates Meetings, usually held in the spring, and at the Fall Festival in October.**

**Resources → More information on Conventions, plus The Modern Square, getting insurance as a club, and contacting the ASSDF. You can download a registration form for the next National Square Dance Convention (NSDC), plus the latest issue, and back issues of The Modern Square e-Edition; plus a back issue of the print edition (all in PDF).**
