

Brief Overview of the ASSDF Website
<https://www.arkansassquaredance.com>

The ASSDF → Members of the State Executive Board and Operations Committee.

Clubs → Find your dance region, including a map and satellite of clubs in the state, along with their contact information. Also, there's a list of clubs dancing by days of the week. Please call before you travel, in case of last minute changes/cancellations.

New Dancers → How to square dance, how to get connected, dance regions, and club contacts. Also there's a link for "Video Square Dancing Online", and the "Taminations" program on all the calls.

Upcoming Events → A Google Events Calendar to find out what clubs are dancing on a particular day. There's a plus sign, followed by a number, if clubs are dancing that day; click on the desired day for more info. There's also a section on Special Events and Conventions, inside and adjacent to Arkansas, with links to fliers (PDF), and club Facebook pages. And, there's info on Delegates Meetings, usually in the spring, and the Fall Festival in October; as well as info and a bid form, if your club is interested in hosting an ASSDF Fall Festival.

Resources → Info on The Modern Square, USDA insurance for clubs, club Facebook pages, ASSDF history, "a look back" (In Memoriam) at dancers and clubs that are "gone, but not forgotten", club financial assistance forms, various "fun badges", how to get youth involved with lessons, and links to various square dance information videos.
