

To make searches easier, I've created a PDF file with links to Facebook pages of Arkansas clubs, organizations, callers, and cuers...as well as to websites related to square and round dancing.

I have verified each of these links (noted in alphabetical order) as of May 12, 2022. If you'd like additional sites here, please send an email message to the Editor at assdfmodernsquare@gmail.com – I will verify them before adding the links to this file. Also, please advise me of any errors, so they can be fixed.

Further information on the Arkansas State Square Dance Federation (ASSDF), including the ASSDF, Clubs, New Dancers, Upcoming Events, and The Modern Square, can be found at <https://www.arkansassquaredance.com> – the ASSDF website.

First, here are Facebook pages for several Arkansas clubs and dancers. You'll need a Facebook account to view them, and be a member of the group to post in them. Some groups require moderator approval before messages are posted. Links to these are on the CLUBS page on the ASSDF website.
