2021 ASSDF Fall Festival Photos

Because of the large number of photos sent in for the Nov. 2021 issue, from several dances (noted below), it made the e-Edition overly large. So, separate files were created for all the photos. When needed, **these separate files will be available ONLY on the ASSDF website**. Otherwise, they will be included in the e-Edition that is released.

I decided to split this into 3 separate e-Edition Extras files, so you can choose which one(s) you want to download. They are 2 dances from the Bluebird Squares, a dance from the Maverick Mixers, and from the 2021 ASSDF Fall Festival (with several dignitaries there from national square dance organizations). This file is from the **2021 ASSDF Fall Festival in Texarkana**.

Thanks to Cathy Beesley, Nancy Marchese, Tommy Ward, plus Ted and Tonia Hofmeister for the large number of photos; thanks to all who came to the weekend, and especially to the Guys 'N Dolls Square Dance Club for all the work involved for the entire weekend. See President Ted and Tonia Hofmeister's Report in the November, 2021 issue for more details.

From the next 4 photos, Jethro is in the building.

Next, photos from the races at Yellowrock Thoroughbred Park.

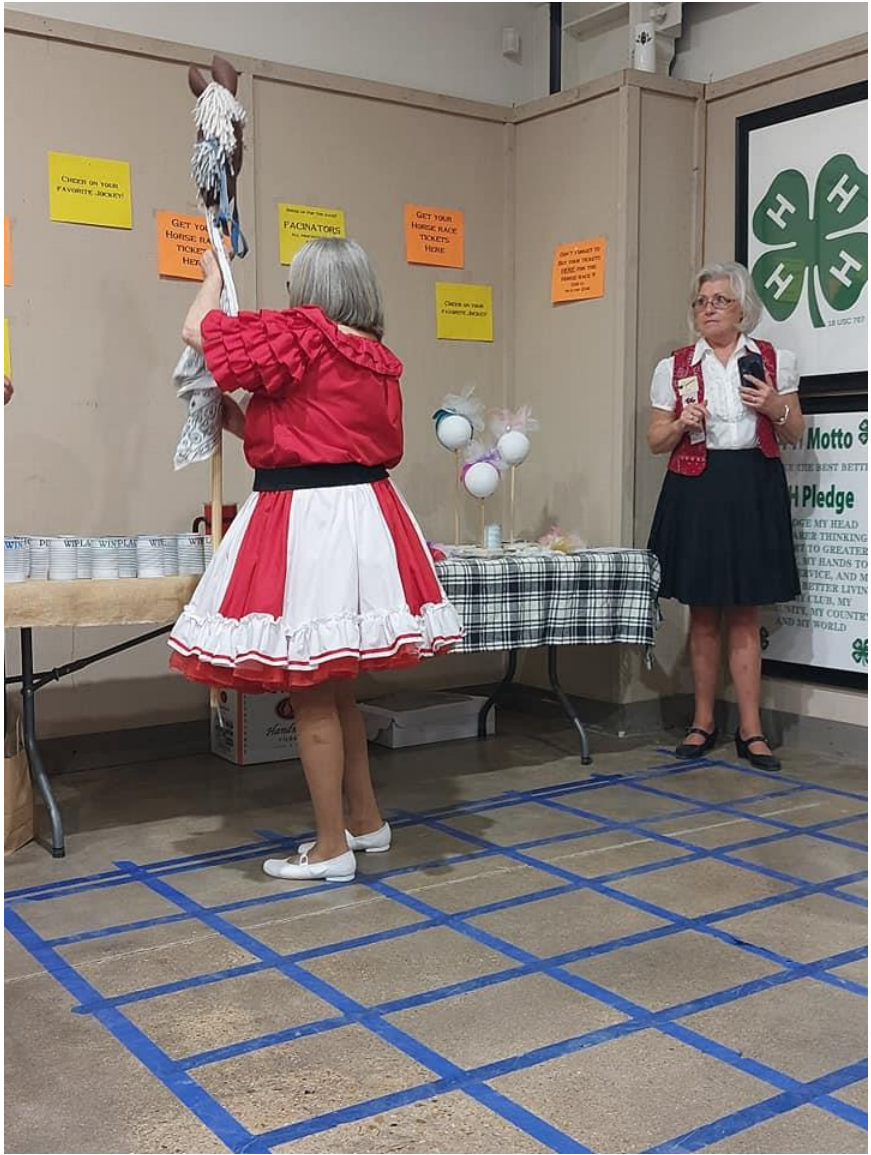

Next, many photos of the dancers, callers, cuers, and clubs that were at Texarkana. The photos were from both the ASSDF and club Facebook pages, and there are also some videos on these on those pages as well. There were also several national square dance dignitaries in attendance; they're noted after all the other photos.

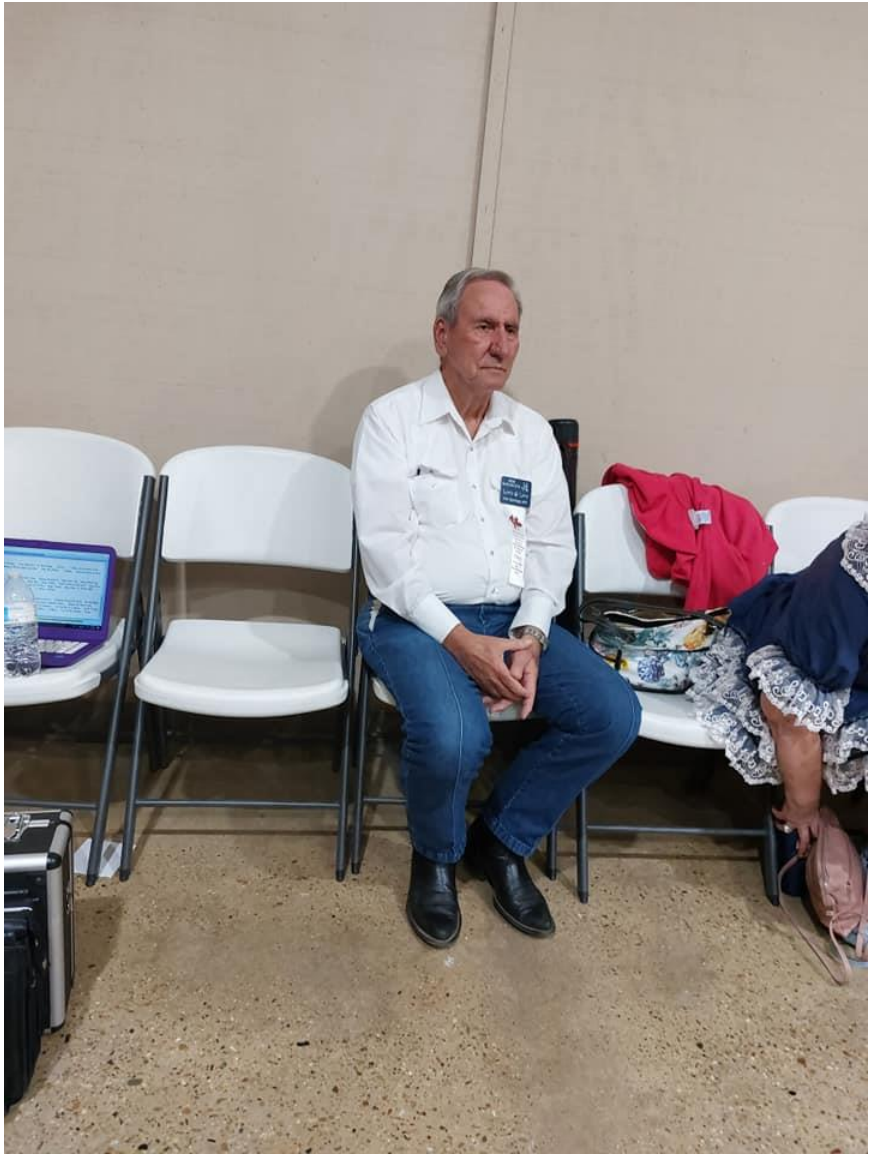

WHEAT

- Arkansas often plants more than 500,000 acres of soft-red winter wheat.
- Our yields average 50-60 bushels per acre. Top yields exceed 90 bpa.

RICE

CORN

Arkansas farmers plant between 300,000-600,000 acres of corn. Average corn yields average 154 bushels per acre. Top yields exceed 230 bushels per acre.

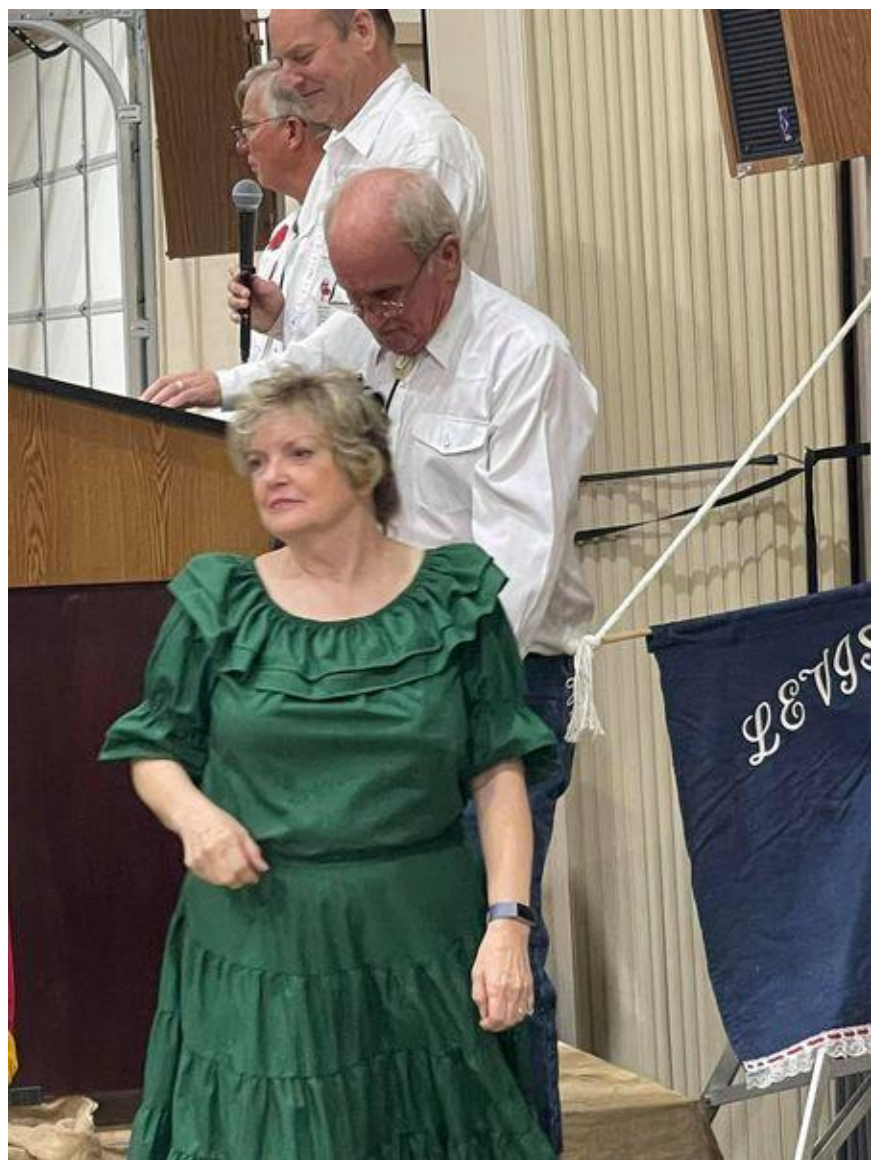

Next, from ASSDF Presidents Ted and Tonia Hofmeister, there were several national square dance organization dignitaries that were at the weekend, as noted in the following 5 pictures:

John and Carolyn Cook, General Chairman, of the 71st National Square Dance Convention, that'll be in Evansville, Indiana (June 22-25, 2022).

Next, Tom and Tina Wilkins, General Chairman, of the 72nd National Square Dance Convention, that'll be in Mobile, Alabama (June 21-24, 2023).

Next, Alitia Becker, President of the Louisiana Square Dance Association, with ASSDF Presidents Ted and Tonia Hofmeister

Next, Arkansas' own Wade and Lura Wade, who were the General Chairpersons of the 63rd National Square Dance Convention that was in Little Rock, Arkansas, back in June, 2014...and who now serve on the National Executive Committee, who oversees current and future National Square Dance Conventions.

The 2021 ASSDF Fall Festival in Texarkana was sponsored by the Guys N Dolls club of New Boston, Texas. Their caller, Nelda Eaton, called for the Trail End Dance on Thursday night at the RV Park in Texarkana, Texas. The club was then responsible for all the events and decorations at the weekend, and they did an exceptional job, with the dancing events on both Friday and Saturday.

It looked as if “a good time was had by all”, from all the pictures.

Lastly, the 2021 ASSDF Fall Festival Co-Chairman in Texarkana, from the Guys N Dolls Square Dance Club...Gary and Linda Carlile, along with Rhonda Bailey (pictured with Andrew Bright).
